

## GO BY/Search Warrant Terminology

**\*\*You may not get all of this from a Chromebook, but it is better to have it in your warrant\*\***

The Forensic Examination of any computer, computer hard drive, or other physical object upon which digital data can be recorded (hereinafter, COMPUTER) that is called for by this warrant, or that might contain items otherwise called for by this warrant, for:

Evidence of who used, owned, or controlled the COMPUTER at the time the items described in this warrant were created, edited, or deleted, such as logs, configuration files, saved usernames and passwords, documents, calendars, browsing history, user profiles, e-mail, e-mail contacts, chat or instant messaging logs, photographs, and correspondence;

Evidence of counter-forensic programs (and associated data) that are designed to eliminate data from the COMPUTER;

Evidence of the times the COMPUTER was used; Passwords, encryption keys, and other access devices that may be necessary to access the COMPUTER

## Artifacts in Chromium vs Takeout/Cloud Acquisition

Artifact	Chromium	Takeout
